

Dear Speaker,

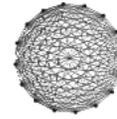

Thank you for agreeing to speak at SSP's 39<sup>th</sup> Annual Meeting held at the Westin Boston Waterfront May 31-June 2, 2017. This agreement serves two principal purposes:

- 1) to give the Society for Scholarly Publishing (SSP) the non-exclusive right to audio and video record your presentation and use and/or re-distribute the recording and accompanying handouts and other presentation materials (such as slides) in any manner on a royalty-free basis following the presentation, and
- 2) to assure SSP that your presentation and accompanying materials are your own original work, that you have obtained any necessary copyright permissions, that the work does not infringe anyone else's copyrights and is not defamatory, that you have the full right and ability to make this license, and that you agree to hold SSP harmless from any lawsuits resulting from the inaccuracy or breach of these assurance.

Please note that the attached agreement is a non-exclusive license, giving us permission to use your written and spoken words following the presentation; it does not in any way transfer ownership of this intellectual property to SSP and does not in any way restrict your ability to use or profit from the intellectual property in the future.

Thank you in advance for your valuable contribution. Please return the signed agreement by May 1, 2017 to Jennifer Lanphere [jlanphere@kellencompany.com](mailto:jlanphere@kellencompany.com) or fax to 720.881.6101.

I hereby grant to the Society for Scholarly Publishing, including all subsidiaries and affiliates thereof (hereinafter referred to singularly and collectively as "SSP"), a non-exclusive, perpetual, irrevocable, royalty-free license and release to exercise all rights of whatever kind or nature now or hereafter protected by the Copyright Laws of the United States of America and all foreign countries in and to the program authored by the undersigned and presented at the SSP event named herein, including but not limited to the spoken words of the undersigned, any accompanying audio-visual or electronic presentations, and any accompanying written or electronic handout materials (hereinafter referred to singularly and collectively as the "work").
